

# TENSORS

## COORDINATOR APPLICATION

Tensors is a non-profit organization by the students of IIT Madras aiming to help the society. They take several social initiatives aimed to tackle problems existing in our society and organize social campaigns throughout the year. Tensors generate funds for these social events by conducting JEE mock tests and counselling programs for JoSAA.

There are three verticals under Tensors.

### 1. Tenment

- Conducting JEE mock tests and counselling programs for JoSAA and initiatives.

### 2. Tensci

- They help innovators and NGOs bring their vision to life by providing technical solutions to their problems.

### 3. PR

- Outreach
- Branding
- Visibility
- Social Campaign
